Additional Confirmed Cases of COVID-19

AUBURN – The Southeast District Health Department (SEDHD) has confirmed five additional cases of coronavirus (COVID-19) within the district. The additional cases include:

- A male in his teens who lives in Johnson county
- A male in his fifties who lives in Johnson county
- A female in her forties who lives in Nemaha county
- A female in her forties who lives in Otoe county
- A male in his sixties who lives in Pawnee county

All identified close contacts will be asked to self-quarantine. Individuals with symptoms consistent with COVID-19 should self-isolate to avoid transmitting the virus to others. COVID-19 symptoms include cough, shortness of breath or difficulty breathing, fever, chills, muscle pain, sore throat, and new loss of taste or smell. In many cases, a person will have more than one of these symptoms.

As of August 3, the total cumulative confirmed cases of COVID-19 within the district is 103. Case counts by county are:

- Johnson – 13
- Nemaha – 20
- Otoe – 42
- Pawnee – 8
- Richardson – 20

SEDHD reviews all reported test results as soon as they become available and will continue to report county totals to most accurately reflect current cumulative case numbers in the district.
