## **Additional Confirmed Cases of COVID-19**

**AUBURN** – The Southeast District Health Department (SEDHD) has confirmed seven additional cases of coronavirus (COVID-19) within the district. The additional cases include:

- A male in his twenties who lives in Otoe county
- A male in his seventies who lives in Richardson county
- A female in her fifties who lives in Richardson county
- A male in his twenties who lives in Richardson county
- A female in her sixties who lives in Richardson county
- A male in his thirties who lives in Richardson county
- A female in her teens who lives in Nemaha county

All identified close contacts will be asked to self-quarantine. Individuals with symptoms consistent with COVID-19 should self-isolate to avoid transmitting the virus to others. COVID-19 symptoms include cough, shortness of breath or difficulty breathing, fever, chills, muscle pain, sore throat, and new loss of taste or smell. In many cases, a person will have more than one of these symptoms.

As of July 22, the total cumulative confirmed cases of COVID-19 within the district is 69. Case counts by county are:

- Johnson – 9
- Nemaha – 8
- Otoe – 35
- Pawnee – 1
- Richardson – 16

SEDHD reviews all reported test results as soon as they become available and will continue to report county totals to most accurately reflect current cumulative case numbers in the district.
